

Dear all,

Jan 17, 2025

Here is the weekly update on International Masterclasses.

//////// Moderators //////////

We are currently putting together the moderator teams for the video conferences. As the program is expanding, we are looking for new volunteers and fresh faces. Moderations can be done remotely, so people don't have to be at CERN, Fermilab, KEK, GSI, or in Malargue. If you have colleagues who are interested, let us know!

//////// Schedules for IMC 2025 //////////

The program is set - the schedule for PTMC has now also been published at <https://cern.ch/88uch>. All schedules can be found at <https://cern.ch/b474m>

Kind regards,

Uta, Ken, Raul, Rok and Yiota
